The Tahsildar, Puttur reports that the Special Revenue spector for forest offences ,Sullia Firka has completed enquiry in cases and that 68 more cases are still pending enquiry. He expects at some more illicit felling are also likely to come up hereafter r enquiry in the firka. The Tahsildar also reports that the contiance of the post of the Special Revenue Inspector is absolutely cessary for a further period of at least another six months in order complete enquiry in the pending items. The No. of Forest offences committed this season is large in this firka which is very extensive in area and the Firka Revenue Inspector will not be able to attend to this work in addition to his own multifarious other items. I therefore consider that the continuance of the post of the Special Revenue Inspector and a peon is absolutely necessary for a further period of atleast 3 months from 25-12-1950 and the Special Revenue Inspector first joined duty in the firka only on 25-9-1950. I request early
